

GRAB-A-BAG CART

LTI's new Grab-a-Bag cart is specifically designed for remote service and built to last.

The Grab-a-Bag cart is an excellent way to serve up to 250 breakfasts or lunches in a bag. The cart has two versions - one with just an insulated well for hot or cold foods and the other with an insulated milk compartment that will keep four crates of milk cold for hours.

Grab-a-Bag Cart

- 84" long x 30" wide x 34" high
- No electricity required
- Includes 10 coated wire baskets (shown here) holds 250 bags
- Welded push handle
- Fold down shelf for POS
- Heavy-duty casters

OPTION A

- 30" x 20" x 9.5" insulated well to accommodate hot or cold items

OPTION B

- Accommodates four 13" x 13" milk crates (200 milk cartons)
- 7 eutectic freezer packs keep milk cold for hours
