Standard Colors

Colorpoint's rainbow of standard colors will complement most interior color schemes. Please choose from the standard colors above at no additional charge.

Specify Standard color(s):

_____

_____

Optional Solid Colors

A wide array of solid colors to match any decor are available from the RAL selection. Contact the factory or your representative for these charts.

Specify RAL color(s):

_____

_____

Other Options

Optional solid colors require an added up-charge per job. Add two weeks minimum to delivery schedule.

- ☐ **Custom vinyl stripes.**
  Specify or contact factory for assistance.
- ☐ **Granite colors.**
  Six colors available to choose from.
- ☐ **Sparkle finish.**
  Choose from metal flake color chart.
- ☐ **Powder coat metal components to match fiberglass.**

View all RAL color system options at **https://www.ralcolorchart.com/**. The colors on this sheet may not be an exact match to the actual fiberglass color. For extra matching, contact your representative or LTI for a sample chip.
