If your cafeteria is in need of a spruce up or a complete renovation, our experienced team can talk you through your options. As you'll see in this booklet, we have solutions ranging from very simple serving lines to custom serverys with all the bells and whistles - and everything in between.

Let our experts guide you through the entire Visions process:

- Our team will meet with you and show samples of work to get your imagination flowing.
- We'll take pictures of your space, start designing and present you with options.
- Once our concept meets your needs and goals, we'll begin the manufacturing and installation process.

## WHAT WE DID

The middle school cafeteria had an institutional look and was in need of a spruce up using a theme. They wanted this area to be nice looking and a place for students to enjoy eating and socializing with each other. We designed a school-spirited dining area, incorporating inspirational words and décor with the school's colors of blue, gray, and white.
