

GRAB 'N GO CARTS

DESIGNED SPECIFICALLY
FOR REMOTE SERVICE
AND BUILT TO LAST.

LTI's molded fiberglass & stainless steel carts are durable & incredibly easy to clean, looking new for 20 years—outlasting any plastic or laminated unit.

LTI's carts have multiple applications from breakfast to Grab 'N Go for lunch; wherever and whenever you need an extra point of service. Simply stock a cart with product, and wheel it where needed. Serve 200 breakfasts or more from one cart. LTI's Grab 'N Go carts are extremely durable, versatile and **built to last.**
