

# LTI Visions Planning & Décor

Featuring Kenmore East High School

VISIONS

**LTI is one of the country's leading manufacturers of custom foodservice equipment. Not only do we build the finest products in the industry, but we're also a full-service provider of design services. Through LTI's Visions Planning and Décor, our in-house team can design a concept that totally transforms the look, feel and functionality of your space.**

If your cafeteria is in need of a spruce up or a complete renovation, our experienced team can talk you through your options. As you'll see in this booklet, we have solutions ranging from very simple serving lines to custom serverys with all the bells and whistles - and everything in between.

Let our experts guide you through the entire Visions process:

- Our team will meet with you and show samples of work to get your imagination flowing.
- We'll take pictures of your space, start designing and present you with options.
- Once our concept meets your needs and goals, we'll begin the manufacturing and installation process.

VISIONS™

# Kenmore East High School

---

## WHAT WE DID

This school had the desire to renovate the cafeteria to give it more of a café/restaurant look. They wanted to have a nice place for the students to eat and socialize. We had the opportunity to design a special area for seniors, a main dining area, and the foyer. Using paint and graphics, we created beautiful, modern areas students could enjoy.
